

PROVENA Covenant Medical Center

Recently recognized as one of the Top-100 cardiovascular hospitals in the country, Provena Covenant Medical Center is a 254-bed regional hospital, serving 13 East Central Illinois and Western Indiana counties. Provena Covenant is an advanced medical center with over 250 physicians representing 37 areas of specialized care.

2006 KEY MINISTRY ACCOMPLISHMENTS

- Recipient of the Total Benchmark Solution (TBS) Top 25 Health System Quality Award, in recognition for our performance on quality measures provided by U.S. healthcare organizations to the Centers for Medicare and Medicaid Services (CMS).
- Recognized with several independent awards during 2006, including the prestigious Solucient 100 Top Cardiovascular Hospital Award®, and a top Healthgrades distinction for Orthopaedic care
- The first East Central Illinois healthcare provider to offer the benefit of private rooms to all patients on medical/surgical units, in addition to our private maternity and critical care private rooms now in place for more than three years.

CLINICAL EXCELLENCE

- Continually committed to developing the key services that patients have come to expect from our healthcare ministry - orthopaedics, maternal/child services, oncology and cardiac care.
- Established a transfer and admission physician team to ensure physicians are always available for admission purposes.

2006 KEY STATISTICS (FY '06)

Inpatient Admissions	9,889
Births	1,147
Outpatient Visits	190,583
Emergency Department Visits	35,414

TECHNOLOGICAL EXCELLENCE

- Implementation of PACS (Picture Archival and Communications System) technology is providing critical diagnostic tools via computers in physician offices and at workstations at the Medical Center.
- Led the way for the utilization of Enhanced Intensive Care Unit (eICU) technology as a means of identifying potential organ donors.
- State-of-the-art Sleep Center which opened during 2006 and is designed to meet the needs of adults with sleep disorders, including insomnia, snoring and sleep apnea.

COMMUNITY COMMITMENT

- Continued our legacy of providing services for the benefit of our community, which included translation services, free pre-natal classes, participation in SHIP (senior health insurance program), support groups, in-kind donations and much more.
- During 2006, our initiatives touched the lives of more than 13,000 lives of those in our community, and include programs like a dental drive to support the residents of Champaign County and a partnership with the National Kidney Foundation of Illinois to offer free kidney screenings and education to community members.
