Provena Saint Joseph Hospital is recognized for advanced cardiac, oncology and orthopedic care services.

2006 KEY MINISTRY ACCOMPLISHMENTS

- Recipient of the Total Benchmark Solution (TBS) Top 25 Health System Quality Award, in recognition for our performance on quality measures provided by U.S. healthcare organizations to the Centers for Medicare and Medicaid (CMS).
- In 2006, Provena Saint Joseph Hospital progressed significantly on its \$97 million Expansion and Modernization Project. Slated for completion in Spring 2009, this project includes a four-story bed tower, a state-of-the-art Heart and Vascular Center, new Family BirthPlace, expanded Intensive Care Unit, Medical Imaging Department and Comprehensive Rehabilitation Unit, and three new state-of-the-art operating rooms.

CLINICAL EXCELLENCE

- Advanced cardiovascular services, including diagnostic and interventional catheterizations, cardiac surgery, electrophysiology laboratory, nationally accredited cardiac rehabilitation and cardiac diagnostics, including 64-slice CT.
- State-designated Level II Trauma Center with the area's only 24-hour Chest Pain Evaluation Center, EDAP (Emergency Department Approved for Pediatrics) state designation and a special pediatric waiting area.
- Regional Cancer Care Center providing state-of-the-art cancer care by board-certified radiation oncologists, nurses, radiation therapists, physicists, social workers, nutritionists, hospice nurses and massage therapists.
- Level II Plus birthing center with extended capabilities and a special care nursery, delivering approximately 600 babies per year.
- Hyperbaric medicine center for patients with chronic, non-healing wounds.
- Area's only CARF (Commission on Accreditation of Rehabilitation Facilities) accredited comprehensive rehabilitation unit providing inpatient medical rehabilitation.
- MedCare, the area's most comprehensive 24/7 care center.
