

**PROVENA**

**United Samaritans Medical Center**

*Provena United Samaritans Medical Center exemplifies excellence in patient care for the greater Danville community. We are a 210-bed comprehensive medical center, with a medical staff of more than 100 physicians, serving the area since 1882. We offer many inpatient and outpatient services, including emergency medicine, women's services, oncology, surgical services, diagnostic imaging, and more.*

## 2006 KEY MINISTRY ACCOMPLISHMENTS

- Recipient of the Total Benchmark Solution (TBS) Top 25 Health System Quality Award, in recognition for our performance on quality measures provided by U.S. healthcare organizations to the Centers for Medicare and Medicaid Services (CMS).
- Completion of a \$2.5 million renovation of the Emergency Department, including an updated reception and waiting area, new security system, more private treatment rooms, and bedside registration.
- The Provena Sleep Center at Danville Polyclinic opened in January, filling a community need by providing comprehensive treatment for sleep disorders in Danville.
- Our commitment to being an employer of choice was evident as the Medical Center achieved a 96th percentile employee satisfaction ranking as compared to other institutions.

## 2006 KEY STATISTICS (FY '06)

Inpatient Admissions	<b>8,302</b>
Births	<b>893</b>
Outpatient Visits	<b>190,505</b>
Emergency Department Visits	<b>36,180</b>
Total Surgeries	<b>3,723</b>

## CLINICAL EXCELLENCE

- With an 80% score, we exceeded state and national results on performance related to National Patient Safety Goals. Commitment to patient safety remains a top priority, with continual programs, such as fall prevention, being developed.
- In coordination with Provena Regional EMS, local paramedics, ambulance services, and physicians, our Acute Stroke Treatment Program provides rapid treatment for ischemic stroke and better outcomes.
- Our emergency preparedness and disaster management initiatives include a mobile decontamination unit, formation of dedicated Emergency Response Team, regular disaster training and drills, and coordination with local law enforcement, fire, and emergency management agencies.

## TECHNOLOGICAL EXCELLENCE

- Provena Open MRI, a \$2 million state-of-the-art system, opened at the end of 2006, accommodating the special needs of many patients that previously had to travel outside of Danville to receive services.
- The Regional Cancer Center continued to lead the way in comprehensive cancer treatment with the acquisition of a new linear accelerator with IMRT/IGRT, the absolute latest technology for radiation therapy.
- Digital mammography is now available to area women for the first time, with a \$600,000 system through which screening, diagnosis, and biopsy can all be performed on a single unit.
- Security systems throughout the medical center were upgraded, including a new pediatric alarm system, an enhanced infant security system, and a new Emergency Department security system.

## COMMUNITY COMMITMENT

- More than 3,000 community members participated in free wellness offerings, health classes, and screenings.
- Outreach programs through our Foundation, including the HALO Project, I Sing the Body Electric, Young Men & Women Aware, Faith In Action and more, provided community healthy initiatives and services for tens of thousands of individuals in our area.
- Nearly \$40,000 was contributed through donations to local organizations and sponsorship of special community events.
- We remain committed to the development of future local healthcare workers through scholarships, job shadowing, and partnership with Vermilion Advantage.
