

August 2009

Dear Friend of the Medical Center:

The Provena Saint Joseph Medical Center Foundation is celebrating its 16th Annual Foundation Gala on Saturday, November 7, 2009 at the Burr Ridge Marriott, with the Tuscan theme, 'La Vita Bella'. This elegant and fun evening always attracts over 500 patrons, including physicians, Will County business and community leaders, as well as Medical Center board members and administrators. We are greatly looking forward to your participation and hope that you will join in this milestone event.

One of the Foundation's fund-raising efforts is its very successful annual Live and Silent Auctions. **Through the generous donations of items by auction sponsors, we hope to raise at least \$45,000 to support the Greatest Needs at the Medical Center** to continue with building dedicated multidisciplinary programs over the coming years. With your support, we will enhance the care already provided by the Medical Center, and bring new areas of expertise and opportunity for growth while continually increasing the quality of care available to patients in Will County.

As a friend of the Provena Saint Joseph Medical Center, we hope to recognize you and your company at the 16th Annual Foundation Gala. **There are many ways in which to participate, including the donation of a product(s) or service(s) for our silent auction, an event sponsorship or a financial contribution.**

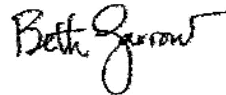

A **Donor Agreement Registration Form** for silent auction items is on the reverse side of this letter. Simply fill out the Auction Donation Form and return to the Foundation Office by October 19th. Please contact Megan Muskovin in the Foundation Office at 815 725-7133 ext. 3339 with any questions.

Thank you so very much for your continued support of our efforts here at the Medical Center. On behalf of the Foundation, the Gala Committee and the Administration, we thank you in advance for your consideration.

Sincerely,

Jeffrey L. Brickman, FACHE
